

HOMEWORK IV (30 Points)

- Please complete the HW4 by the due date.
- Submit your HW on GAView. Don't send it via email.
- Submit you assignment as Firstname_Lastname_HW4.pdf
- 5 points will be taken off if not submitted in the above format.
- Please don't copy or plagiarize. You will get zero in the homework if found doing so.

Please answer the following questions:

Chapter 7 (Lab Exercises):

Q1, Q2 and Q4 (Each question is worth 10 points- total 30 points) Provide screenshots for every step of the question. For Q2 Python program, you don't have to scale up and down the policies, supply the startup script and use a security group. Just write the code for Amazon autoscaling group using boto.

Chapter 8 (Lab Exercises): (Extra credit)

Q4 (20 points)
